### Qualification Description

This qualification reflects the role of pathology collectors. Workers in this role follow known routines and procedures, taking responsibility for their own work under general supervision. They combine communication, customer service and technical skills, and use discretion and judgment to adapt and transfer their skills to different situations.

To achieve this qualification, the candidate must have completed at least 35 hours of work as detailed in the Assessment Requirements of units of competency.

*No licensing, legislative, regulatory or certification requirements apply to this qualification at the time of publication.*

### Packaging Rules

**Total number of units = 14**

- 9 core units
- 5 elective units, consisting of:
  - at least 2 units from the electives listed below

- up to 3 units from the electives listed below, any endorsed Training Package or accredited course – these units must be relevant to the work outcome.

All electives chosen must contribute to a valid, industry-supported vocational outcome.
